This book is an essay, a story-in pictures of life at Tupelo High School. THS is now at a new plateau of development. New ideas are abroad and with them come new trends of thought and action. It is this spirit of transition which the 1969 Album has attempted to capture.

In keeping with this goal, the theme of this book is the "Fighting Waveman." The purpose of this theme is to emphasize the new spirit which is finding its way into the halls of Tupelo High School.

STUDENT LIFE

The THS Fickle Finger of Fate Award goes to photographer for taking one picture over 8 times. But, on the brighter side, THS was the scene of many extra-curricular activities. The fall saw football spirit reach its height with pep rallies, games, homecoming week, and parades. Football season soon gave way to basketball as fans followed the Golden Wave netters throughout the season. Another highlight of the year was the powder puff football game. Christmas holidays brought parties, presents, and welcome relief from work. Of course, exams stared us in the face when we returned. With the arrival of spring, the tempo of high school life quickened until finally graduation night and completion of another year.

Mother Is a Fr

The Speech Department of THS presented Raphael David Blau's "Mother Is A Freshman" November 8 and 9. A crowd of over 1600 gave a standing ovation at the end of each performance. The Speech Department certainly outdid themselves in this production

Enthusiasm Runs Rampant at 1968 Homecoming

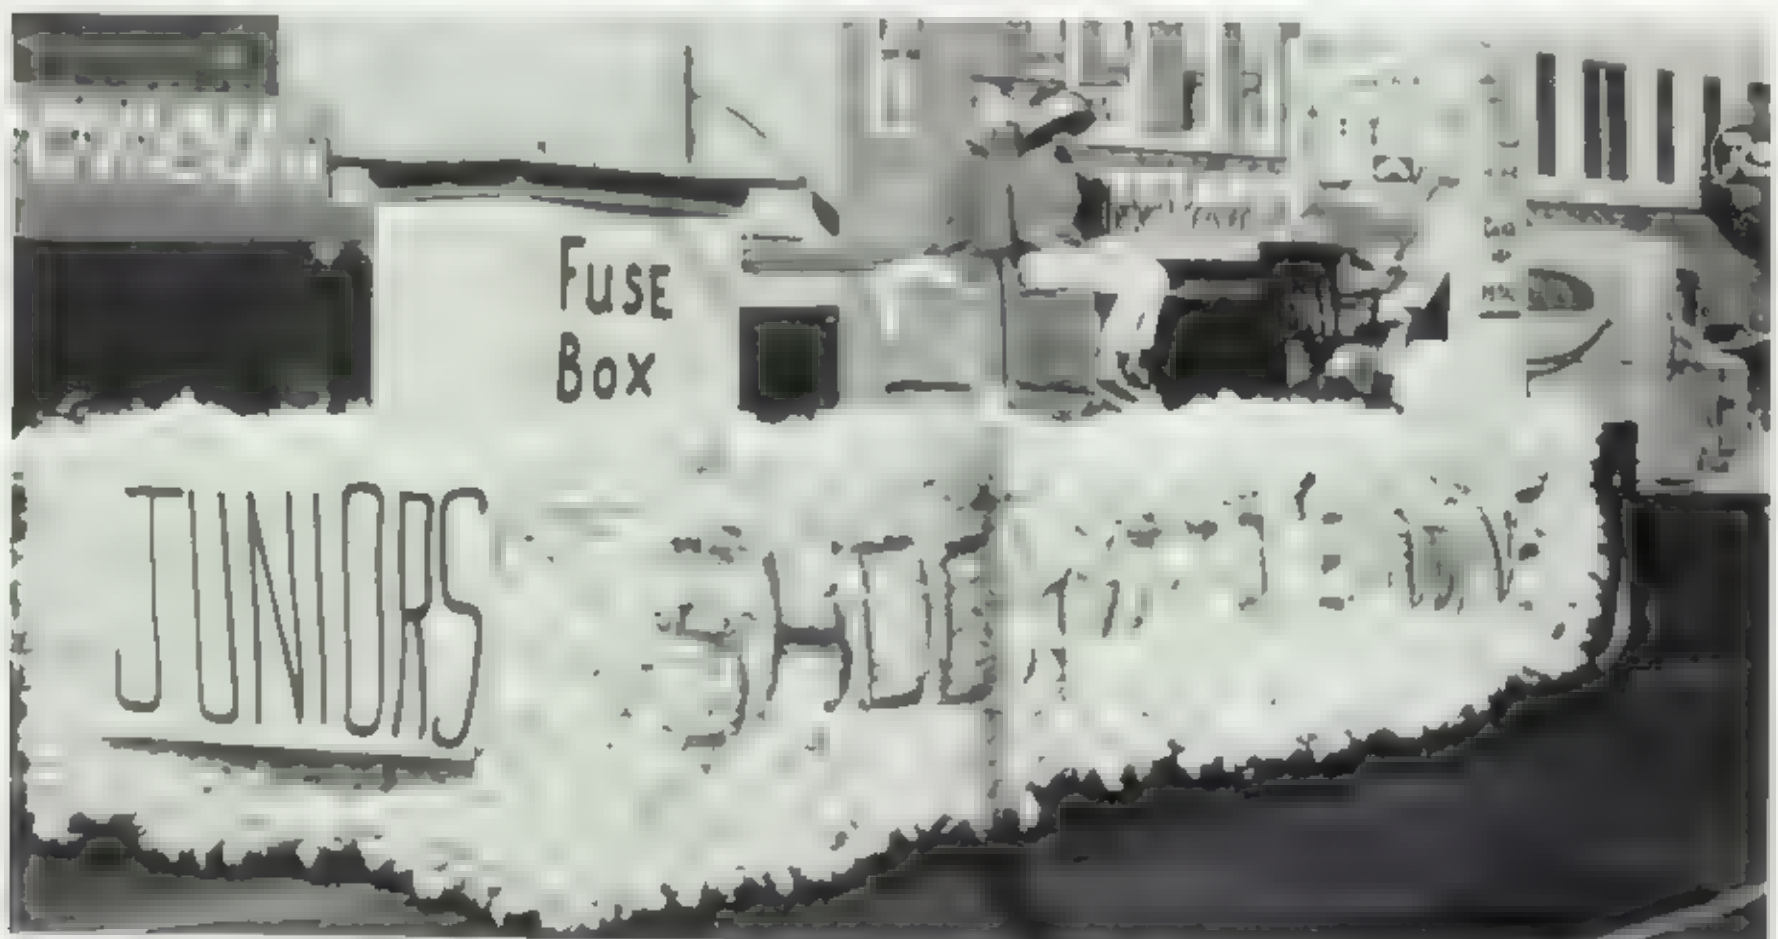

The rustic color of fall, the smell of burning leaves, and the frantic bouts with chicken wire and crepe paper, composed the mad whirl that was Homecoming at THS

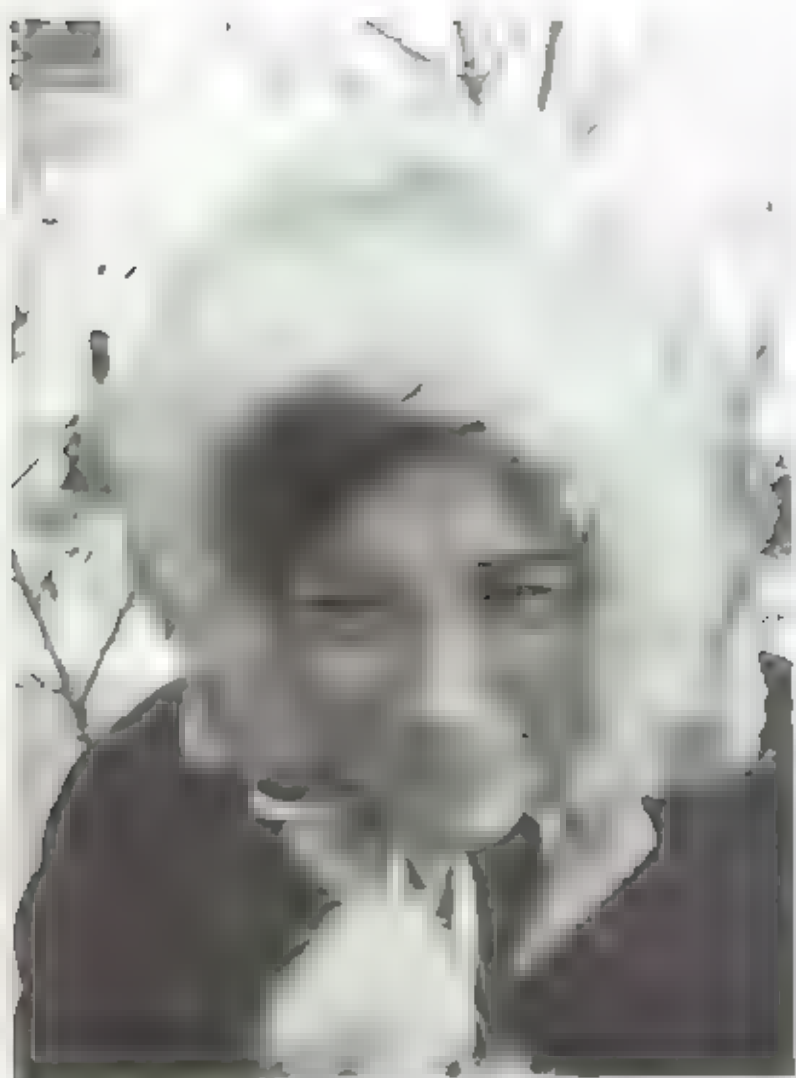

Reigning over the proceedings was the 1968 Homecoming Queen Cyndi Lemons, whose beauty and enthusiastic personality warmed a chilly football stadium

To make Homecoming a complete success, the Wave defeated Jackson Calloway 14-13

"Shock it to 'em, Wave" was the theme for the Junior's Homecoming float which placed second in competition

The 1968 Christmas Dance given by the Senior boys was one of the highlights of the Yuletide Season

As a novelty, the Speech Department presented a Christmas Pageant in which Frank Dowsing portrayed a wise man. (Below left)

Merry Christmas

High School is not all work. There are clubs, committees, plays and speakers to hear at school. Beyond the confines of THS students are fortunate to have at their disposal the recreational facilities of Tupelo—a veritable mecca of fun. There are one and a half drive-ins, a bowling alley, two pool halls, and other locations which give students the opportunity to gather and discuss world problems. Despite the difficulties, when the shade of night falls over dear old Tupelo, a new species of people come out of its hiding—the “night people.” THS students are among the first to be found venturing forth into the world of darkness and dazzling lights in search of fun. But, of course, many times a student must be content to sit at home—without a date

Bye Bye

BIRDIE

Under the expert direction of Mrs. Ruth Liveakos, Mrs. Floyd Stevens, Mr. Jim Scott, Mrs. Mary Alice McAllister, THS presented "Bye Bye Birdie."

Bob Leech, technical director, Jan Wylie, student director, the art department under the direction of Mrs. Mitzi Moore, and the industrial arts department under Mr. Jerry Phillips and Mr. Robert Magers also contributed greatly toward making this musical a smashing success.

In their leading roles Martha Nesmith (Rose Alvarez), Melinda Grissom (Kim McAfee), and Mike Maynard (Albert Peterson) were fantastic. Also among the list of major characters were Chuck Rhodes (Conrad Birdie), Margaret Williams (Mrs. Peterson), Debbie McCullough (Mrs. McAfee), and David Shurden (Mr. McAfee).

Patriotism Highlights Assembly Programs

Tupelo High School was the scene of many outstanding assembly programs this year. Noted speakers, such as Captain John Kean of the U. S. Naval Reserve, and Richard Barret, Mississippi's favorite adopted son, presented talks with patriotic overtones. Other programs included MSCW Dancers, the Delta State College Singers, and of course the world famous Tupelo High School Talent Show. Interesting talks were delivered by Former State Treasurer William Winter and evangelist Tom Haggat. One of the highlights of the year was the award given to WFLO broadcaster Jack Cristil by the student body for being Tupelo High's Number 1 Sports Booster.

A ballot, a campaign, smile-weary candidates, an election ... all are stepping stones in a game known as politics. The student body elections held in May aroused great excitement throughout the school. Besides being a time of excitement, it was a time of toil and struggle for the candidates.

The candidates running for President were Bubba Worthen, Bobby Giles, and Phil Ruff; Vice-president—Tommy Thompson, Steven Murphy, and Wib Wright; Secretary—Beverly Barnes, Beth Bourland, and Caye Cook; Treasurer—Kay Partlow, Betsy Caldwell, and Melanie Heflin.

Each student plays a vital part in contributing his time and effort to decorate the school with posters, signs, and circulars.

To arouse attention "The Epitome" socked it to the students to encourage votes for Bubba Worthen.

Take Over

To open the season for 1968-69, the Golden Wave traveled to Amory. The Tupelo fans received their money's worth at this game as the Wave rolled easily over the hapless Panthers to an easy 31-6 victory. Red Ivy scored 3 touchdowns and Frank Dowsing scored 2. Forrest Darwin converted 1 out of 5 for a total of 31 points. Both teams made mistakes as could be expected in the season's opener, but both sparkled on occasion. Fine defensive play was credited to Don Cruse and Jeph Heflin. Steve Fikes and Andy Lee quarterbacked the club for a fine opening game. The next weekend the Wave played their first home game against Greenville. Although the Hornets pulled the game out by a single point of 14-13, the Wave was congratulated for its fine play. Among the highlights of the play were Andy Lee's interception of a Greenville pass for 36 yards, and Frank Dowsing's catching 3 passes for 70 yards and 6 points.

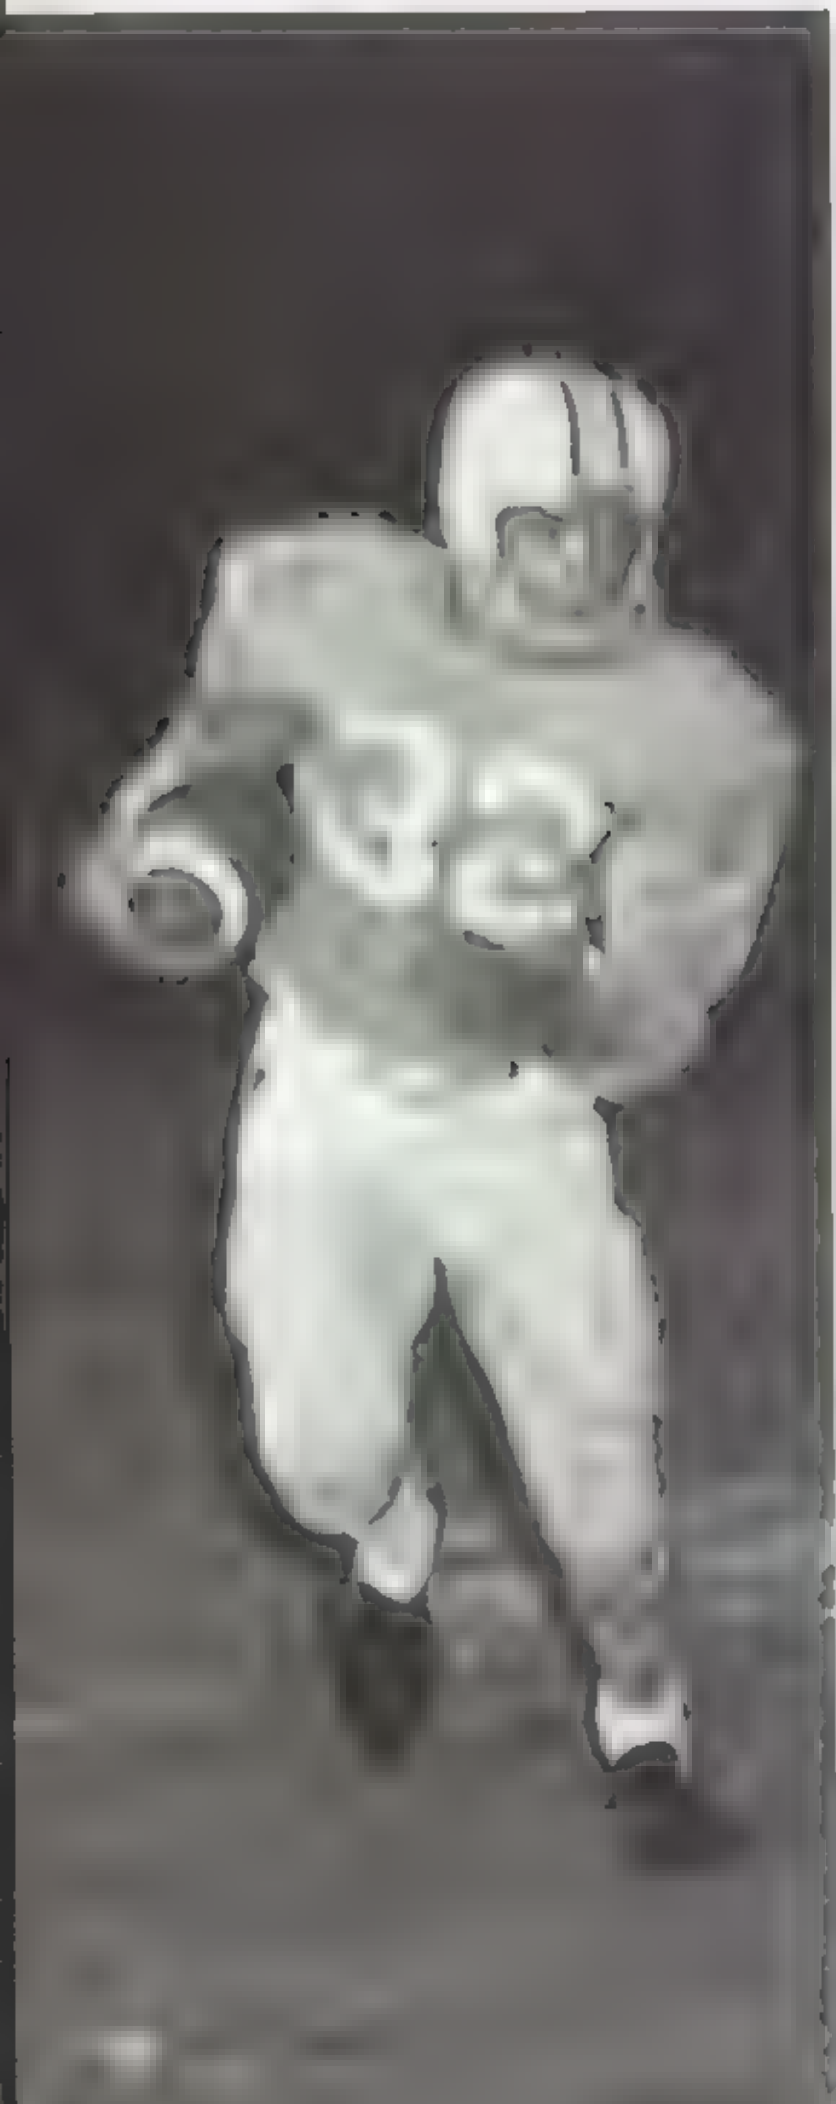

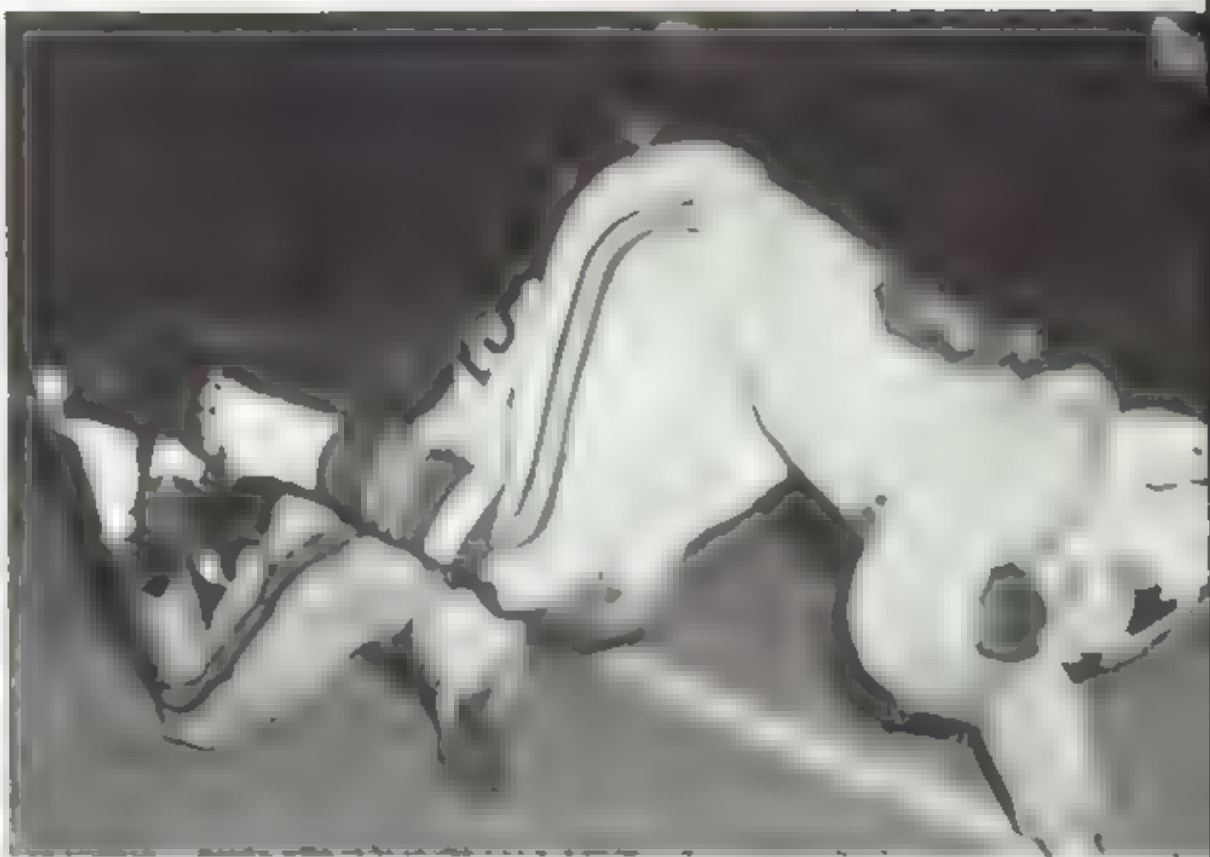

Tupelo played host to Memphis Westwood on September 20 and emerged with a decisive 28-0 victory. Key players in this game were Ivy, Lee, Dowsing, and Reed, each having one touchdown. Darwin was in fine form and converted on each point after attempt to complete the scoring. The following weekend the Wave went to Cherokee, Alabama, where we were defeated by a score of 20-6. Tupelo's lone touchdown was scored by Lee, who carried 15 times for 81 yards. The picture turned brighter when the Golden Wave defeated the Wildcats of Clarksdale 21-14. All three Tupelo touchdowns were scored by Red Ivy on spurts of 1, 3, and 8 yards. Darwin hit 100% on extra point attempts. Thompson and Gene Barry showed fine defensive work as both recovered Wildcat fumbles.

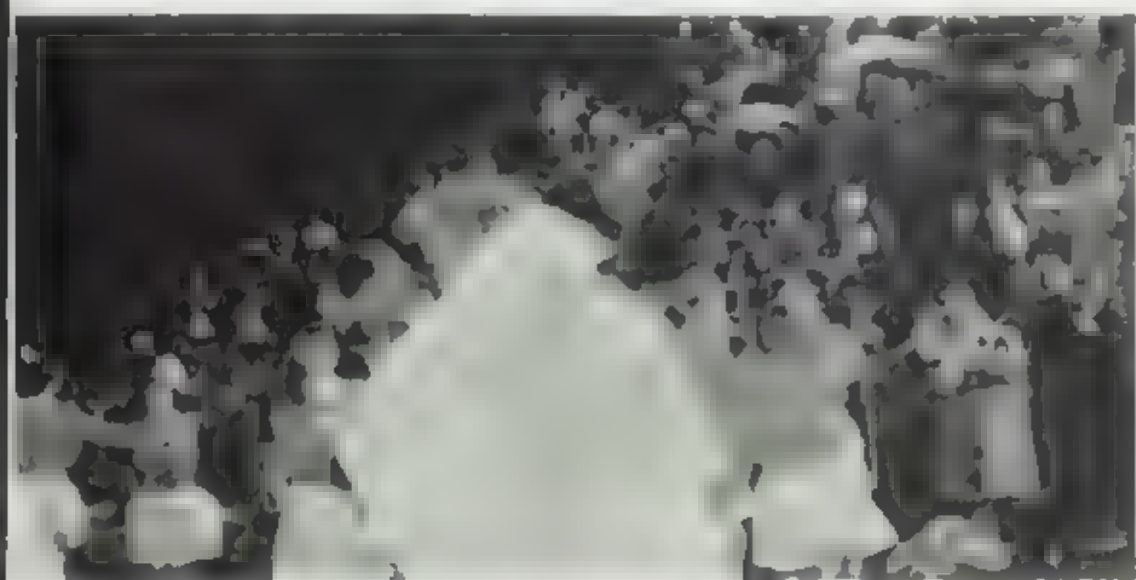

On the road once more, the Golden Wave downed the Greenwood Bulldogs 14-0 in Greenwood. Both touchdowns were scored by Ivy, one from 18 yards out and the other on a fantastic 92 yard run. Al Wallace punted 3 times for an average of 39 yards per kick. Darwin converted twice, and on kicks from the tee, averaged 40.5 yards per kick. On Homecoming night, the following weekend, the Wave defeated Calloway from Jackson by a score of 14-13. Tommy Barber was credited with blocking the Charger extra point attempt in the 3rd quarter to keep Tupelo alive. In Corinth the Wave rolled to an easy victory of 27-7. Ivy scored 2 touchdowns, Mike Earwood scored 1, and Barber scored 1.

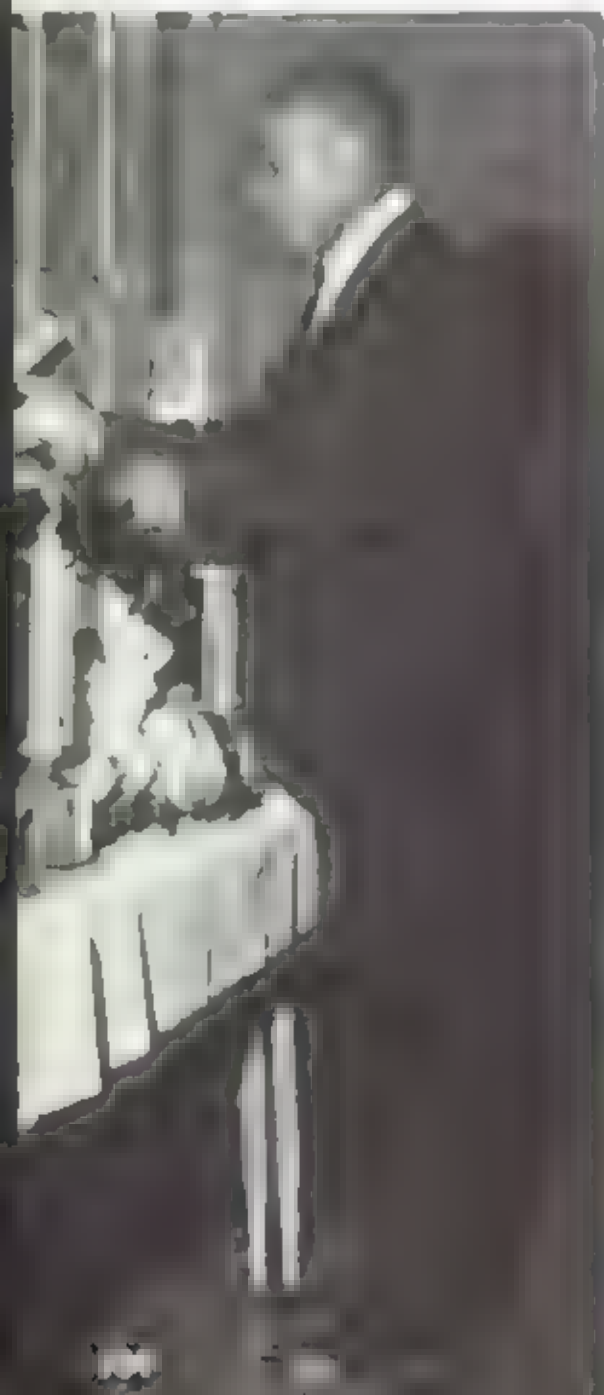

In Russellville, Alabama, the Wave was defeated by a score of 34-14. The two Tupelo tallies were scored by Bill Beasley and David Parham, with Darwin converting both times. On defense Tommy Barber intercepted one Tiger pass and returned it 27 yards. The final game of the season was played against arch-rival Columbus after an open date on November 8. Tupelo scored in the second quarter on a six yard run by Red Ivy. The Wave kept the Generals of Lee High from scoring, and went on to win the game 7-0. Even though the rain came down most of the game, the stands were crowded with fans cheering the Wave on to victory. When the clock finally ran out, both the bench and the stands alike shared the same joy of a crowning achievement and a winning season.

The Awards Banquet is an affair held after the season is over every year. Each member of the squad votes for the player he thinks is most qualified for each award. This year the awards went as follows: Chuck Rhodes, the Bill Leech Memorial Award; Forrest Darwin, Best Blocker, who also kicked 20 out of 27 point-after attempts; David Adams, Most Improved Back; Frank Martin, Scholarship Award; Jim "Red" Ivy, Most Valuable Player, who led in rushing with 246 carries for 1336 yards;

Ronnie Blackwell, Best Blocker; Frank Dowsing, Sportsmanship Award, who led in punt returns with 10 returns for 151 yards; Al Wallace, Most Improved Lineman, who also punted 11 times for 434 yards, an average of 39.5 yards per kick; Tommy Barber, Best Defensive Player; and Chuck Rhodes, Leadership Award, which also carries the honor of being permanent Team Captain. Other outstanding statistics were Andy Lee with 3 kickoff returns for 109 yards, Red Ivy with 16 touchdowns for 96 points and Frank Dowsing with 17 passes received for 256 yards

On November 30, 1969, the Tupelo Golden Wave opened its 1968-69 season. The Wave had four returning lettermen; Frank Dowling, Tommy Barber, Andy Lee, and Mike Dillard. After an opening victory at West Point, the Wave dropped the next two games to Nettleton and Wheeler. However, on their next out-of-town date, the Wave defeated Corinth to begin a nine-game winning streak, which crushed such powerful teams as Baldwin, East Union, Columbus, and Meridian. After losing to Treadwell, Baldwin, and Columbus, the Wave rallied for the North Big-8 Tournament, losing only to Meridian in the finals. The Golden Wave also was edged in the last two games of the regular season by Wheeler and New Site. In the District competition the Wave rolled to the finals before bowing to Corinth to end the season. Tupelo compiled a 19-10 record for the season.

Coach Dennis Waite

In order to have a successful season, a team must have good coaching. The Golden Wave was fortunate to have in Coach Dennis Waite an able man, who has produced state-champion teams in recent years. This year, although the Wave didn't make it to Jackson, everyone seemed pleased with their performance. Coach Waite commented that he was well pleased with the general performance of the team, especially with the new, inexperienced players who improved over the season. To Coach Waite we say 'Congratulations for a job well done'.

Wrestling

The 1968-69 season was, for the most part, a successful one for the Golden Wave wrestling team. Although we won only one match out of four, many boys participated and showed much enthusiasm. Coach Raymond Carter can be given the credit for starting the program and creating interest for the boys. This was the first year that letters were awarded. Everyone involved felt that this year's wrestling program was much better organized than last year, which was the first year that wrestling was offered to students at Tupelo High School. Incidentally, Tupelo High is the only high school in the state with a wrestling program. Chuck Rhodes was awarded Team Captain and Steve Bolling received Most Valuable Wrestler.

Track

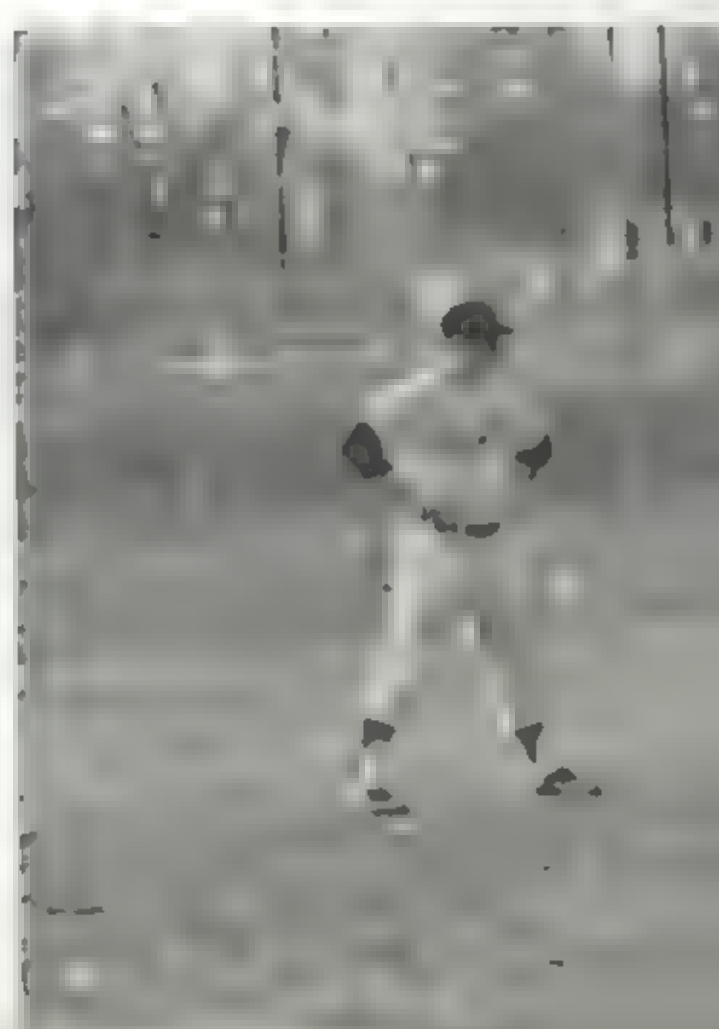

The T.H.S. thinclads, with only 4 returning lettermen, compiled an impressive record for the season. Frank Dowsing holds two North Mississippi records the 100 yd. dash in 9.7 seconds and the 220 yd. dash in 21.4. He also holds second place in overall state with a broad jump of 21 feet, 4 inches. The 440 relay team was first in North Miss and state competition. The 880 team, with Andy Lee, Red Ivy, Bar Ivy, and David Adams, was first in North Miss with a time of 1:30.8. Andy Lee and Frank Dowsing were elected Captain and Most Valuable, respectively. Red Ivy and Al Wallace came through very well in shot and discus. Before his unfortunate operation, Bill Beasley was a mainstay in the 120 high hurdles, 440 dash, and the Mile Relay.

Baseball

The 1968-69 baseball team surprised many skeptics with their outstanding record of 9 wins and 6 losses. This year's team was one of the youngest to ever take the field for Tupelo High School, with Forrest Darwin the only Senior on the squad. However, the team made it all the way to the North Half playoffs, finally losing to Columbus. In the pitching department, Darwin led with 3 wins and 1 loss. Darwin also led in batting with a .372 average for the season. Scotty Whatley, Frank Bryson, and Tommy Thompson each broke .300 for the season.

This year the Golden Wave had nine lettermen: Forrest Darwin, Scotty Whatley, Frank Bryson, Tommy Thompson, Al Wallace, Gary Enis, Mike Dillard, Tommy Gurley, and Charles Watson. These players working together were an efficient team under the able leadership of Coach Freddie Chiles, who is also in charge of Boys' Physical Education. This is Coach Chiles' first year at T.H.S., and we salute him for his outstanding contribution to the school's athletic program

With eight returning lettermen, the team of 1969-70 should prove to be very tough competition.

Tennis

The T H S. tennis team was undefeated for the season, with a team record of 12-0. After the team won the District tournament, three of the members—Ken Mitchell, Jack Reed, and Karen Partlow—went to the state championship in Jackson. Mrs. Guy Ruff, in her second year at Tupelo High School, did a fine job coaching the team to such an outstanding record. Mrs. Ruff also teaches Girls' Physical Education.

Golf

The 1968-69 golf team posted an admirable 8-2 record. The team members were David Weant, Brooks Walker, Clay Livingston, Bryan Hawkins, Steve Bolling, and Rickey Faucette. The players shot in the above order. Brooks Walker went undefeated the entire season. This year's team was also one of the youngest in recent years, with no Seniors on the squad.

CURRICULUM

Mrs. David G Stepp

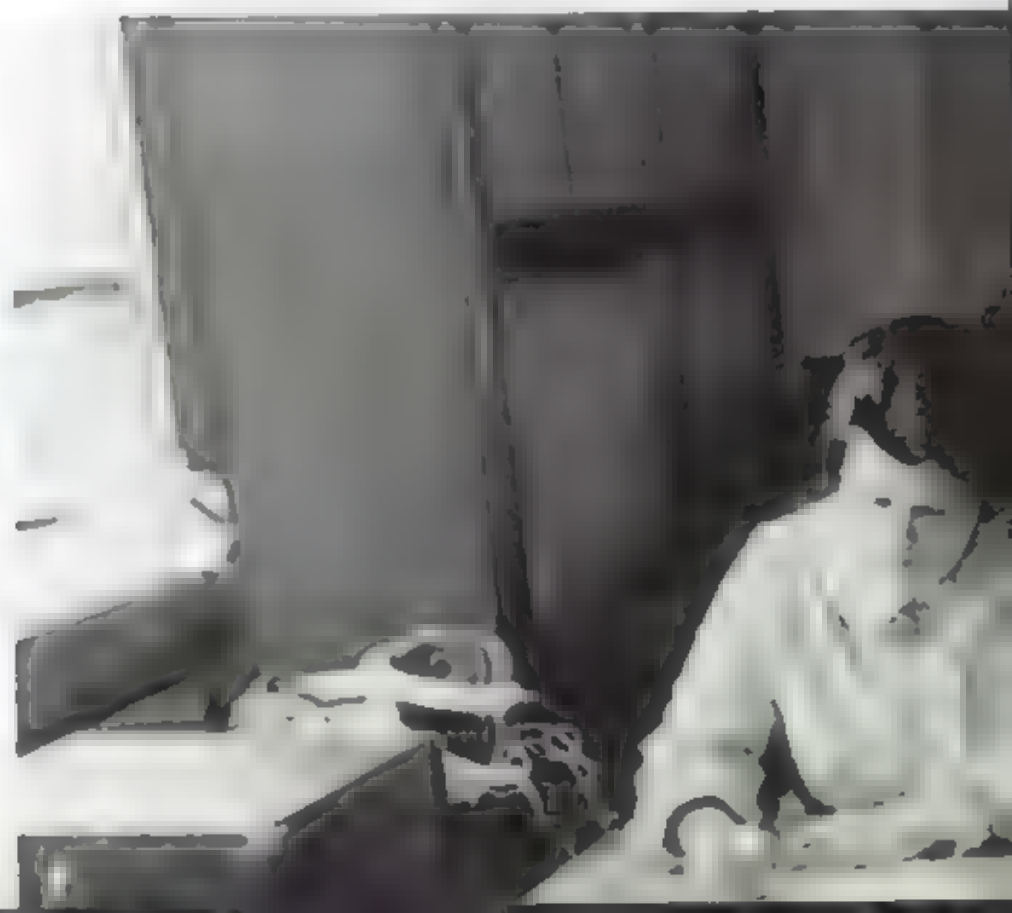

Mrs. Joe S Perusse

The English courses this year are evolving through team planning. The trend is away from large group instruction to small group instruction. Courses are set up for individualized instruction, the most ideal area being the programmed courses in grammar and composition.

Miss Mary Eleanor Long

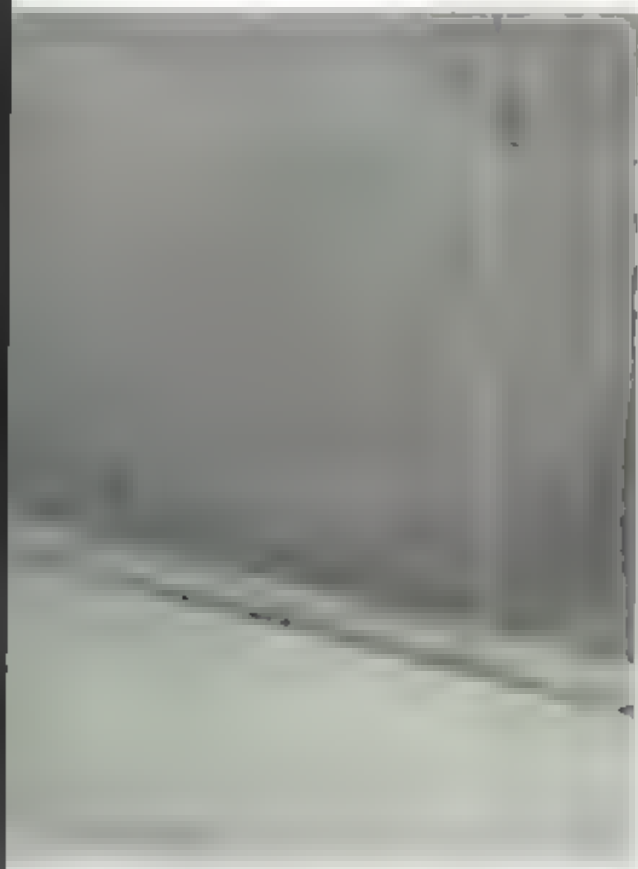

Miss Florence Bogan

Mrs. Carroll White—Clerk Resource Center

In other areas students are grouped according to their ability and are given minimum requirements in keeping with their abilities. Through this, students progress at their own speed in the different areas of learning

Math and Science

Team teaching has proved to be a valuable asset to both students and teachers this year in the math and science departments. Algebra, advanced math, general math, geometry, and math analysis are offered to students interested in higher mathematics. While team teaching has been incorporated into the science department, the lab is still the focal point of this department. Courses of study offered by the science department include biology, chemistry, and physics.

Daily Exercise Burns Excess Energy

The physical education program provides an outlet for excess energy through participation in a variety of sports. These activities strive to develop muscular co-ordination, to promote teamwork, and to encourage good sportsmanship.

Two full-time instructors guide pupils through strenuous physical activities-exercises, intramural sports, and team-to-team competition. To further benefit students, two tennis courts and a baseball diamond are available. Leaders of the physical education program strive to instill in the minds of their students the ideal that a strong healthy body builds a strong, healthy mind.

During the past few years the Social Studies Department, under the supervision of Mrs. John Ray Beasley, has become one of the outstanding social studies departments in the South. Large group lectures, seminars, small group discussions, and individual study have given the study of the social sciences a new perspective. The department staff is constantly searching for new ideas and methods for making social studies more interesting to the students.

Business

The popularity of business education is evidenced by its large enrollment. The well-balanced curriculum meets the need of any student interested in specializing in this area. Courses include typing, shorthand, bookkeeping, business arithmetic and general business. A staff of four full-time instructors is provided to carry out this program. These courses aid students in acquiring basic skills that are useful in many walks of life.

Variety Courses Train for Life

Courses in shop, home economics, driver education and Diversified Occupations provide opportunities for students to learn useful skills. Boys learn the skills of the craftsman's trade in shop classes. These skills include learning how to use various tools and measurements. Through home economics, girls are given the opportunity to learn household skills such as cooking, sewing, cleaning, and child care. Driver education gives beginning drivers the chance to develop good driving habits.

Band Wins Honors at State Festival

The T. H. S. Band, better known as the Big T Marching Band, is under the direction of Mr. James Scott. This year the band boosted the school spirit by participating in the pep rallies, by leading the student body in cheers, and by providing entertainment during half-time at football games. The half-time programs, based on a central theme for each game, consisted of a medley of tunes with several formations and dance routines by the majorettes. In addition to their participation during football season, the band was active the rest of the year in band festivals. At the state band festival the band won superior in marching, inspection, concert, and won an excellent rating in sight reading. This is the finest season the band has had in ten years at the state festival. The band also participated in the Delta Band Festival in Greenwood and presented several concerts at Six Flags over Georgia in Atlanta.
